LAS VEGAS and MACAU, March 22, 2018 /PRNewswire/ -- Scientific Games Corporation (NASDAQ: SGMS) ("Scientific Games" or the "Company") announces the first-ever installation of its new *Jin Ji Bao Xi*™ Asian linked progressive. This installation follows the success of the Company's *Duo Fu Duo Cai*® family link in Macau, and will be followed with additional installations scheduled for the Philippines and Cambodia.

(PRNewsfoto/Scientific Games Corporation)...

"Scientific Games continues to bring its popular market-tailored games to Asia. Scientific Games first brought *Duo Fu Duo Cai* to the Asian market and is now making its world premier of our new *Jin Ji Bao Xi* linked progressive. This link features a number of our exciting games and is expected to be wildly popular with players," said Ken Jolly, the company's Vice President and Managing Director of Asia.

Jin Ji Bao Xi is the latest multi-denominational, progressive linked jackpot from Scientific Games' new offering of the *Echo Fortunes*TM base game on the *Dualos*TM cabinet, which debuted at the Macau Gaming Show last November. The game is engaging with the unique, exclusive content and design for Asian Players.

The name of *Jin Ji Bao Xi* carries the meaning of good luck and good news in Chinese. The logo itself - the bat and peach - is from the Chinese traditional symbol which represents both good fortune and longevity, bringing prosperity and good news to players.

Forward-Looking Statements

In this press release, Scientific Games makes "forward-looking statements" within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements can be identified by words such as "will," "may," and "should." These statements are based upon management's current expectations, assumptions and estimates and are not guarantees of timing, future results or performance. Therefore, you should not rely on any of these forward-looking statements as predictions of future events. Actual results may differ materially from those contemplated in these statements due to a variety of risks and uncertainties and other factors, including those factors described in our filings with the SEC, including the Company's current reports on Form 8-K, quarterly reports on Form 10-Q and its latest annual report on Form 10-K filed with the SEC on March 3, 2017 (including under the headings "Forward Looking Statements" and "Risk Factors"). Forward-looking statements speak only as of the date they are made and, except for Scientific Games' ongoing obligations under the U.S. federal securities laws, Scientific Games undertakes no obligation to publicly update any forward-looking statements whether as a result of new information, future events or otherwise.
